## The Woodland Park Wind Symphony

[www.WoodlandParkWindSymphony.com](http://www.WoodlandParkWindSymphony.com)

Respected for its inclusion of every age, economic status, and ability, The Woodland Park Wind Symphony is truly a "Family Of People ~ Performing Music Of The People . . . One Note At A Time".

The Woodland Park Wind Symphony has been in existence for over 30 years. Formerly under the title of The Woodland Park Community Band, it was organized for the purpose of providing adults and children within the community of Woodland Park and the surrounding area opportunities to enhance or recondition their instrumental musical skills.

**Kaitlyn Cicero ~ Featured Artist** Kaitlyn, age 14, has been a huge fan of the Woodland Park Wind Symphony her entire life, attending her first WPWS concert when she was just 2 months old. Kaitlyn enjoys playing trumpet with her school band and the WPWS. Kaitlyn loves musical theater. She performed at the semi-professional level in *Annie and Beauty and the Beast* with the Academy of Community Theater last spring. Kaitlyn would like to extend a special thank you to her school choir teacher, Mr. Tanner Jones.

**Mayor, Kellie Case ~ Guest Conductor** For over two decades, Newly Elected Mayor Case has dedicated her professional life to the betterment of her beloved Woodland Park. From the careful stewardship of her city's finances to the deliberative policymaking as a City Councilmember and Mayor Pro-Tem, her journey has been one of deep commitment and heartfelt engagement with our community. In addition, Kellie has served for many years president of the Ute Pass Symphony Guild.
